COMPANY PROFILE

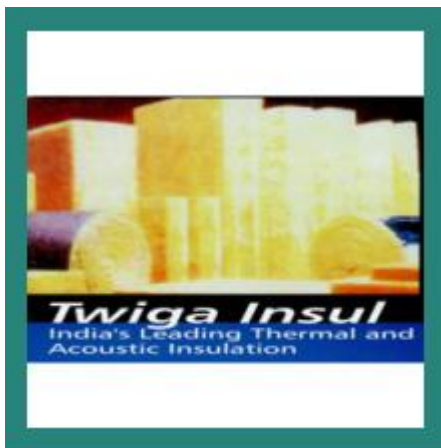

We are one of the leading Suppliers, Dealers, Distributors and Stockists of an assortment of durable Insulation Products. Used in different industries, all our efficient products possess features of high heat resistance & good thermal conductivity.

Kavita Trading Co. was incepted in the year of 1975, as a Supplier of all types of insulation materials like thermal insulation, polyurethane foam etc. that are used in find wide usage in various industries. These products can also be developed in specific configurations, as per clients' definite requirements. We assure our clients that our products are of premier quality and adhere to industry recommended standards of quality and technology. With the assistance of our diligent workforce, we commit to provide high efficiency and high performance products. Received stock is quality inspected on different parameters in conformation to our quality policy. The quality of products is also ensured during its storing period in the spacious warehouse.

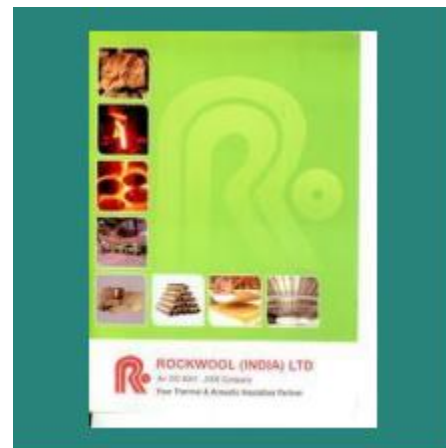

PRODUCTS

THERMAL INSULATION

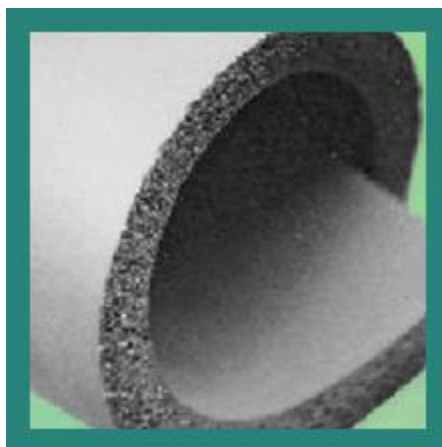

Our wide range of thermal insulation products are manufactured using various qualitative materials. All the products provide optimum comfort to the users and assist in the protection of environment. These products cater to the needs of auditoriums, conference halls, cinema halls, multiplexes and many others.

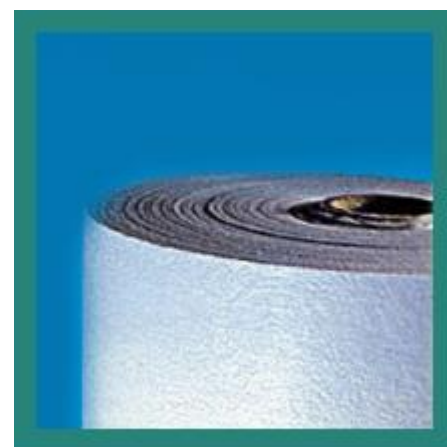

Fibre Glass Wool

Rock Wool (Mineral Wool)

Nitrile Foam

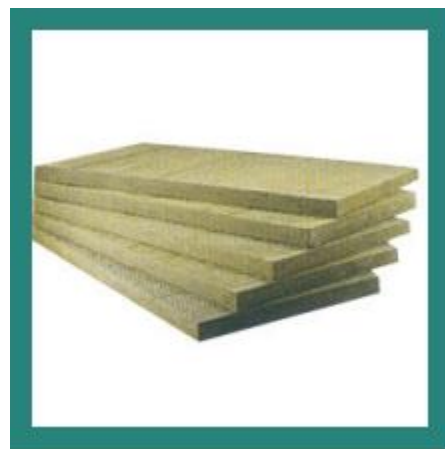

Fibreglass Tissue

HOT INSULATION

Leveraging on our industrial expertise, we offer a huge collection of hot insulation products. These products are used in various segments for different insulation applications. Its prominent features include good thermal resistance, excellent chemical resistance, fine heat resistance and dimensional stability.

Resin Bonded Rock Wool

Rock Wool Slabs

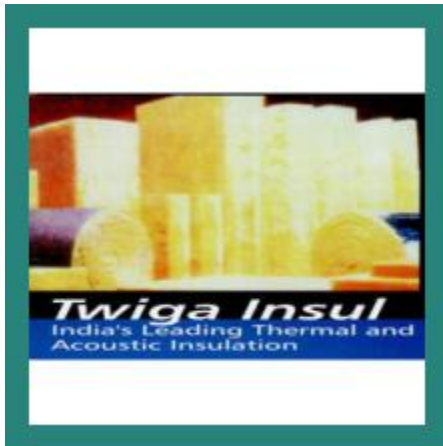

Rock Wool Mattress

Pipe Section

ROOFING INSULATION

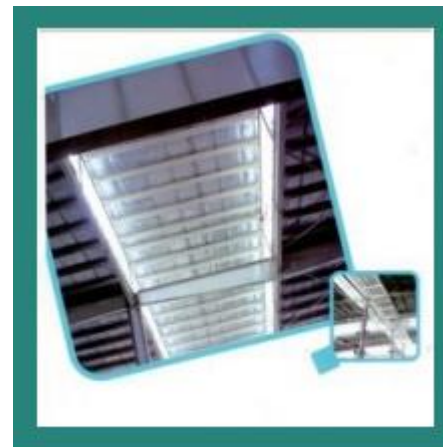

Glass Wool Insulation

Rock Wool Building Roll

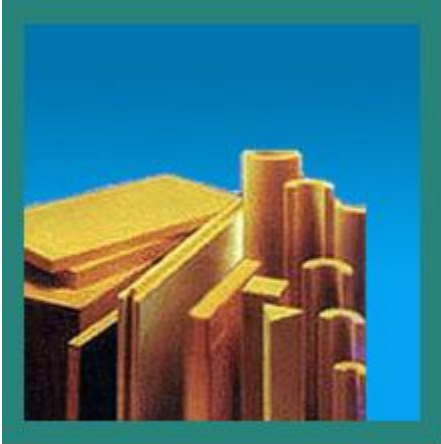

Building Rolls

INSU Reflector (formerly Sil Radiant Shield)

COLD INSULATION

Polyurethane Foam

PUF Slabs

PUF Sheets

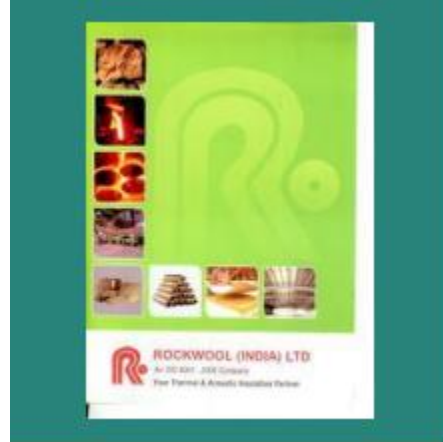

Thermocol Pipe section

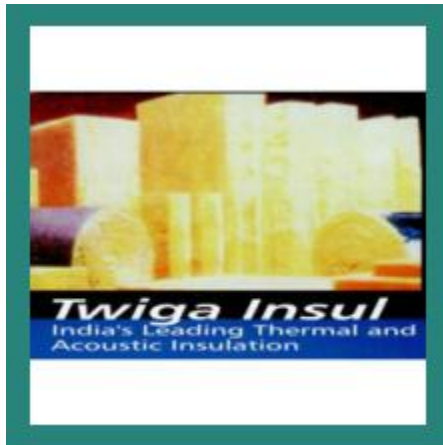

ACOUSTIC INSULATION

Gypsum Boards

Rock Wool (Mineral Wool)

Fibre Glass Wool

Anutone Boards

SUPREME INSULATION

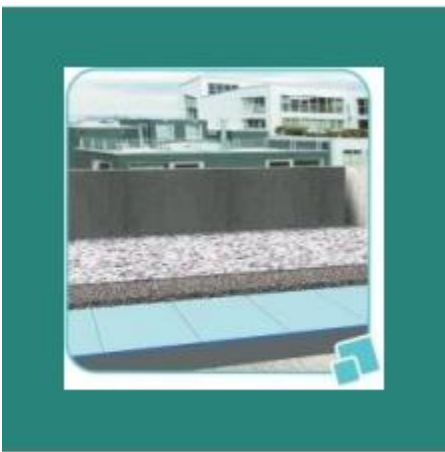

Thermal Insulation requirement is felt where-ever comfort conditions are desired and energy to be optimally utilized. Broadly speaking, where the insulation is used to prevent heat loss from the process the term hot insulation is used. Where the insulation is used to prevent heat gain to the process the term cold insulation is used.

Insu Shield Chemically Crosslinked Polyethylene Foam

Nitrile Rubber Tubing (nBR) For Pipe Insulation

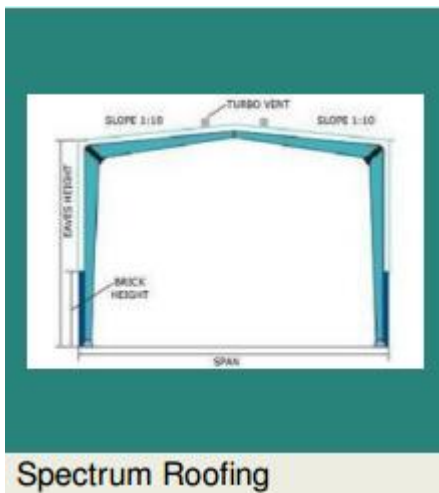

Extruded Polystyrene

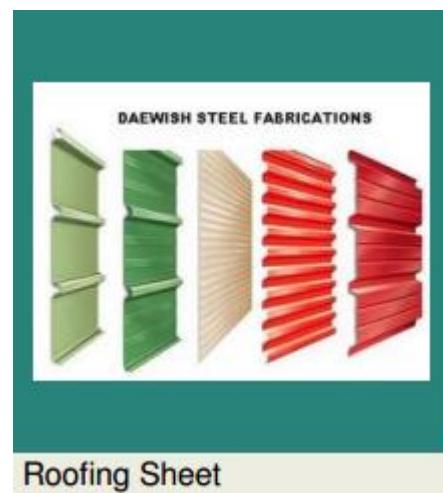

Reflective Insulation

PRE ENGINEERED STRUCTURE

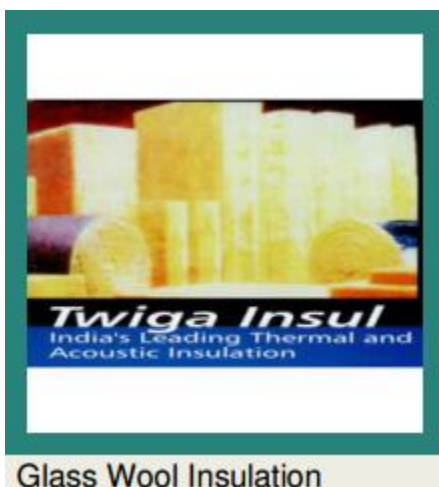

Owing to our vast domain expertise, we manufacture a range of insulated pre engineered structure. These structure are widely used in various industrial, commercial, institutional and other establishments. Fabricated using best quality raw material, these structures can easily withstand severe climatic conditions.

Spectrum Roofing

Roofing Sheet

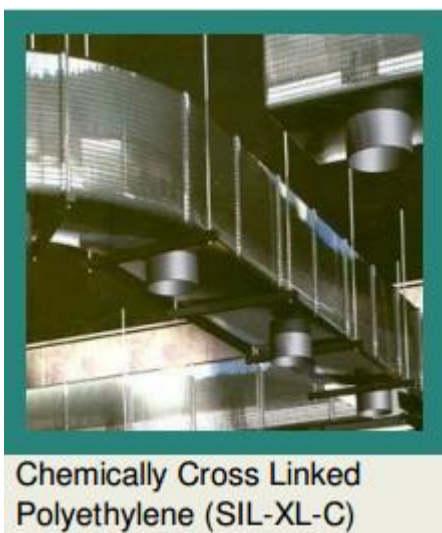

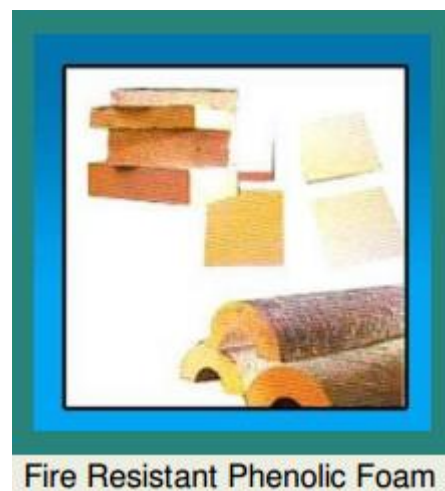

Glass Wool Insulation

Rock Wool Building Roll

UNDER DUCT INSULATION

Generally, you will not need insulation for heating and air-conditioning ducts that are enclosed in already well-insulated portions of your house. But, if the ducts for either your heating or your air-conditioning system run above the ceiling or below the floors, they should be insulated.

PIDILITE PRODUCTS

Leading Stockists and Supplier from Mumbai, our product range includes Pidilite Products such as Fevicol Ac Duct King Lag Coating AF 5590, AC Prefab Adhesive, AC Duct King Optima Adhesive, AC Duct King Eco Fresh Adhesive, Fevicol Ac Duct King, AC Duct Supreme Adhesive and many more items.

Fevicol Ac Duct King Lag Coating AF 5590

AC Prefab Adhesive

AC Duct King Optima Adhesive

AC Duct King Eco Fresh Adhesive

NEW YORK WIRE

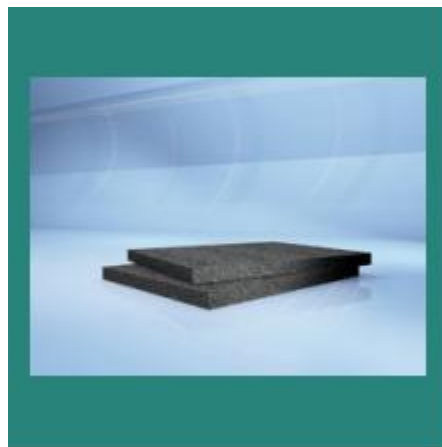

Our range of products include New York Wire such as Vinyl Coated Fiberglass Mesh (Insect Screening), Aluminum Mesh Insect Screening and Arma Sound.

Vinyl Coated Fiberglass Mesh
(Insect Screening)

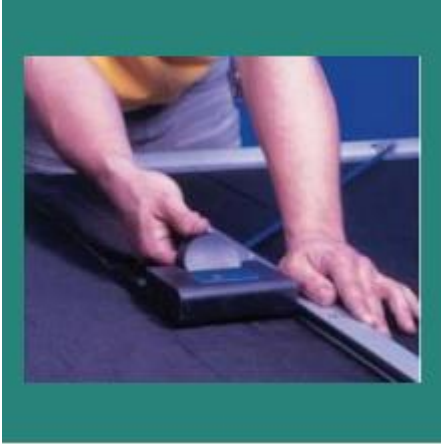

Aluminum Mesh Insect
Screening

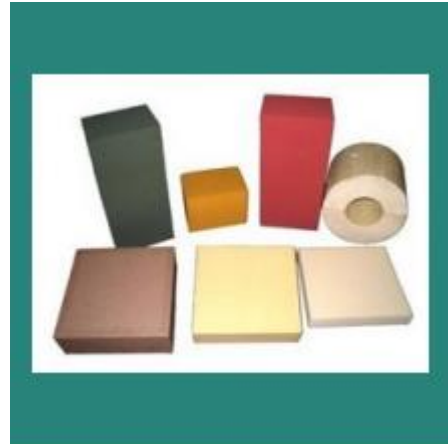

Arma Sound

OTHER PRODUCTS

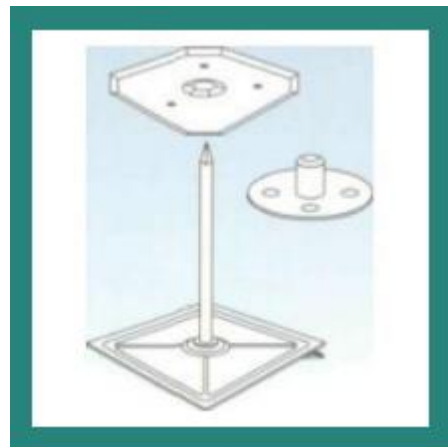

Glasswool Ductboard

Phenolic Foam

Anutone Boards

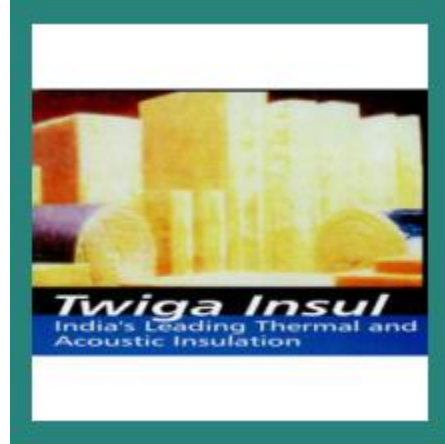

Self-Adhesive Hangers

OTHER PRODUCTS

Loose wool

Glass Wool

Ceramic Wool

Insulation Board

PRODUCTS APPLICATION

Used in different industries.

KAVITA TRADING MILESTONES

Way back in the year 1975, Mr. Arvind Bhai, the CEO of Kavita Trading, set up a Local Market in Mumbai, Maharashtra, India. Now Kavita Trading has its Major Market in all over India.

MAJOR CLIENTS

We have acquired a large client base and continuously endeavor to expand it with the assistance of our qualitative products and services. Our esteemed clients belong to various industries such as public & private sector companies, shopping malls and others.

Some of our major clients are:

- Sair Air Engineers**
- S P Fabricator**
- Spectrometal building systems**
- Vineavar entertainment**

We have progressed way ahead of our competitors and are duly appreciated by our clients for our efforts. Some of the attributes which makes us better than our competitors include customized products, efficient services, sound customer support and timely delivery of products.
